

East Stroudsburg University
2021 Brian McClanahan Summer All-Comers Meets

In June 1971, Dick DeSchraver (ESU Track & Field Coach) started the summer all-comer meets. They quickly gained popularity, with 200-300 participants on average. In 1986, the meets were renamed in honor of Brian McClanahan; and in the early 1990's, with the help of Bill Donahue (Emrey Track & Field Assoc.), the series was expanded to the Lehigh Valley. We've had over 40,000 entries (many who got their start in track and field at these meets) over the years, and we all thank Coach DeSchraver for his efforts and interest.

The summer all-comer meets are dedicated to Brian McClanahan, an outstanding middle-distance runner at East Stroudsburg University, who was killed in an auto accident in November 1985. At the time of his death, Brian owned or shared seven school records at the University. He had begun his running career at the age of twelve by competing in these all-comer meets, and he continued to run each summer throughout his high school and college career.
