East Stroudsburg University is nestled in the Pocono Mountains, which offer year-round outdoor recreation of all sorts for sports enthusiasts. From hiking in the fall to biking in the spring to swimming, golfing and fishing in the summer to snowboarding, skiing or tubing in the winter, there is plenty to do at any time of the year. Throw in shopping, great restaurants and plenty of attractions and there is something for everyone, no matter the season.

ESU is located approximately 75 miles west of New York City, 85 miles northeast of Philadelphia, 40 miles northeast of the Allentown/Bethlehem/Easton area and 40 miles southeast of Wilkes-Barre/Scranton.

The campus is 1/4 mile from exit 308, Interstate 80. Exit right onto Prospect Street.

Men's Volleyball Office, Second Floor, Koehler Fieldhouse — Take right at the first light on East Brown Street. Go up the hill 6/10th of a mile, take the first left onto Smith Street. The fieldhouse is on the left on the corner of Smith and Normal streets.

The Warren E. and Sandra Hoeffner Science and Technology Center, a \$40 million state-of-the-art facility, was dedicated in September 2008.

Providing High-Quality, Higher Education

ESU - In its 116th Year of Service

Founded in 1893 as a Normal School, East Stroudsburg University has been offering quality higher education to the citizens of Pennsylvania for more than a century.

With an enrollment of more than 7,200 students, ESU has a strong commitment to academic excellence. Teacher education, the health sciences and programs associated with science and technology are just a few examples of fields of study experiencing unprecedented growth in enrollment.

With the university's unique programs in such areas as computer technology, bio-technology, chemical bio-technology and art and design, ESU is poised to offer its students another century of academic excellence.

The new \$40 million Science and Technology Center, a state-of-the-art facility, is the first new major academic building at ESU since 1979 and will be open for the Fall 2008 semester.

The Center features a planetarium, a rooftop observatory, and a wildlife museum of natural history, as well as research, classroom and office space for diverse departments from the sciences and mathematics to computer science.

This past summer, the campus invested over \$10 million dollars in safety and other improvement projects associated with storm water management and campus beautification.

The campus consists of 63 buildings on 213 acres and boasts a student-to-teacher ratio of 21 to 1.

More than 2,100 students reside in eight residence halls. The university also offers apartment-style housing for another 200 students and has added accommodations for an additional 540 students with the addition of University Ridge, a student apartment complex located adjacent to campus.

Approximately 74 percent of the students receive some form of financial aid, including scholarships, loans and grants.

The 2008-09 academic year will mark the university's 116th year of operation and the school has approximately 32,000 alumni.

ESU, like many other public colleges and universities across the country, started as a normal school, a professional school for the training of teachers.

ESU History

East Stroudsburg Normal School was founded to serve students in the state's normal school fourth district and had 320 students enrolled when classes started on September 4, 1893.

In 1926 after the state assumed control of the school, the original name was changed to **East Stroudsburg State Teachers' College**.

The school became **East Stroudsburg State College** in 1960 to reflected the school's expanded curriculum with liberal arts programs and graduate degrees.

In July 1983, the Pennsylvania General Assembly established the Pennsylvania State System of Higher Education consisting of 14 universities and **East Stroudsburg University** was born as a comprehensive regional institution.

HEAD COACH DUSTIN WOOD

Head Coach Dustin Wood
4th season

Dustin Wood is in his fourth season as the head men's volleyball coach at East Stroudsburg University in 2009 after serving two seasons as an assistant coach for the Warriors' program.

Wood took over the program in 2006 and led the Warriors to the EIVA Hay Division title in his first year. ESU finished the season 16-8 overall and 10-2 in the Hay Division to earn a promotion to the Tait Division, the highest level of competition in the EIVA, for the 2007 campaign.

ESU was 11-13 overall and 4-8 in the Tait Division in its second season under Wood, and its first in the conference's top division since 1999.

Wood was an assistant coach for both the men's and women's volleyball programs for two seasons before being named the men's head coach.

Wood graduated from ESU in 2003 and was a three-year starter at outside hitter. Splitting his playing time between outside

hitter and setter, he led the 2002 squad with 273 kills and recorded 224 kills in 2001. Wood transferred to ESU from Ohio State, where he redshirted during the 1999 season.

A native of East Petersburg, Pa., Wood was a first team All-State selection as an outside hitter at Hempfield High School. He also earned All-District and All-League first team honors while playing on three state championship squads. He earned his degree in elementary education and teaches in the East Stroudsburg South school district.

Rob Causton Assistant Coach

Rob Causton is in his second season at East Stroudsburg University as an assistant coach under head coach Dustin Wood.

Causton played for longtime ESU head coach Bob Sweeney, one of the most respected volleyball coaches in the nation, and was the recipient of the Coaches Award in 1988 and 1989. He was a four-year letterwinner at outside hitter and helped ESU compile a 91-45 record and four straight EIVA quarterfinal appearances during his playing career.

A native of Richboro, Pa. and graduate of Council Rock High School, Causton is a Health and Physical Education teacher in the Oxford Central School District in Oxford, N.J. He and his wife Michele are the parents of two children, Elizabeth and J.R.

ADMINISTRATORS

Dr. Robert J. Dillman
President

Dr. Robert J. Dillman is in his 13th year as president of East Stroudsburg University. He became the 12th president of the university in July of 1996 and has initiated ambitious enhancements that

will chart the institution's success into the future. Dr. Dillman has taken an active role in athletics and serves as the Chairman of the Board of Directors of the Pennsylvania State Athletic Conference.

Eiler-Martin Stadium has undergone major upgrades under the president's direction. FieldTurf was installed this summer to give ESU a durable, all-weather surface at one of the premier venues in the PSAC. Lights were installed in the spring of 2007 and night games were played for the first time in school history last fall, and the track was resurfaced and expanded to eight lanes in 2005.

The president has spearheaded numerous building projects at ESU, including the new \$40 million Science and Technology Center, a state-of-the-art facility which is the first new major academic building at ESU since 1979 and will be open for the Fall 2008 semester.

Other campus additions include the Ahnert Alumni Center, which houses the University Office of Advancement and Alumni Relations, an admissions center addition at the front door of the campus in the Reibman Administration Building, and University Ridge, a new 10 building apartment-style housing complex. This past summer, the campus invested over \$10 million dollars in safety, storm water management and campus beautification projects.

Numerous new undergraduate and graduate programs in addition to other academic enhancements have been added during Dr. Dillman's tenure. He also initiated the University Business Accelerator, which offers real work business experience and entrepreneurship opportunities for students, faculty and viable new businesses.

While in college, Dillman competed in four sports — soccer, baseball, basketball and track & field — at SUNY New Paltz.

Dr. Dillman came to ESU from Fairmont (W.V.) State where he was president for eight years. He earned a master's degree at Penn State University and a Ph.D from Clark University, both in geography.

Dr. Tom Gioglio
Athletic Director

Dr. Tom Gioglio is in his fifth year as the Director of Athletics at East Stroudsburg University. As the Director of Athletics, he is responsible for providing leadership of an athletic department

which sponsors 22 teams with over 500 participating student-athletes and a staff of over 60.

Athletic facility renovations under Gioglio include the installation of FieldTurf at Eiler-Martin Stadium and Whitenight Field, lighting, outdoor track and concession area at Eiler-Martin Stadium and dugouts at Mitterling Field. There has also been a significant increase in revenue raised to enhance the athletic scholarship budget through fundraising initiatives sponsored through the Warrior Athletic Club, including the Television Fundraising Auction that was incorporated by Gioglio.

Gioglio serves on several committees both on campus and in the community. His involvement at ESU includes the President's Commission for Racial and Ethnic Diversity, the Student Athlete Center for Excellence, the Student Athlete Advisory Council, the Intercollegiate Athletic Committee, the PSAC Athletic Directors Governing Council and the PSAC Executive Committee.

Gioglio is the PSAC Athletic Trainers and Indoor Track Liaison, and a member of the National Association of Collegiate Directors of Athletics and the National Association of Division II Athletic Administrators. He is also a member of the Pocono YMCA Board and the Burnley Workshop of the Poconos Board.

A native of nearby Morristown, N.J., Gioglio previously served as Director of Athletics at Dakota State University and the University of Saint Mary in Kansas.

Gioglio earned his bachelor's degree in Physical Education at Montclair State University and his first master's degree in education at Mansfield University, and his second at Northern State in Aberdeen, S.D. He also holds a doctorate degree from West Virginia University.

Gioglio and his wife Melissa are the proud parents of two daughters, Kalista and Kinley.

Dr. Carey Snyder
Associate Athletic Director

Dr. Carey Snyder is in her 22nd year in the athletic department at East Stroudsburg University.

She has served as associate athletic director the past 20 years and is ESU's

Senior Women's Administrator. In addition to other responsibilities, she ensures that each student-athlete is eligible to play under NCAA guidelines, making sure the ESU athletic department complies with NCAA rules and regulations as well as maintaining the budget for the 22-sport intercollegiate athletic program.

Snyder prepares all athletic department comprehensive reports, including the Equity in Athletics Disclosure Act Report for the federal government and the NCAA. For 17 years, prior to 2005, she also coordinated event management for over 400 athletic contests annually.

She also monitors the athletic operating budget and the management of all away contests, including team travel, contracts and non-session arrangements.

Snyder is the founder and chair of the Women's Athletic Scholarship Golf Classic that raises scholarship dollars for women student-athletes. She currently serves on the Women in Sport Day Committee, the Intercollegiate Athletic Committee and the Gender Equity Planning Committee and has also served on the University Faculty Senate.

Prior to ESU, Snyder had a successful career as a volleyball and softball coach at California Lutheran University in Thousand Oaks, California.

She earned her B.S. from Springfield College in Physical Education and her Master's degree and Ph.D. in Athletic Administration from the University of Southern California.

Senior outside hitter **Jon Daley**, senior libero **R.J. Roth** and junior opposite **Chris Holden** lead the East Stroudsburg University men's volleyball program into the 2009 season under the direction of fourth-year head coach **Dustin Wood**.

Daley and sophomore outside hitter **Eli Porr**, both starters in 2007, return to the Warriors after receiving medical redshirts last year. Daley is a two-time All-EIVA selection at middle hitter and is moving outside for his senior year to give him more opportunities to swing on the offensive side of the net.

Defensively, Daley is tied for second in school history with 316 career blocks. He also ranks second in aces and fourth in kills, and should go over the 1,000 kill mark for his career early this season.

Porr is a strong passer and defender who started most of his freshman year in 2007, when he was second on the team in digs. Sophomore **Don Hanna** started 15 matches last year and classmate **Michael Semeraro** will also contribute on the outside.

Holden led ESU with 3.8 kills per game and had a team-high in kills in 17 of 19

matches last season after joining the program from SUNY-New Paltz, where he was his league's player of the year as a freshman. Both Holden and Daley are 6-7 and can touch nearly 12 feet, giving the Warriors two of the top athletes in the EIVA.

Seniors **Kyle Duffy** and **Jeff Quinn** will hold down the middle hitter spot for ESU. Duffy started there last year and is a strong blocker, while Quinn is transitioning from opposite where he contributed in his first three years in the program. Freshman **Dante McCoy** will see time as a blocking specialist.

Roth enters his senior year as a four-year starter and already holds the school record with 731 career digs. He led the NCAA in digs as a freshman, led the EIVA and was second in the nation as a sophomore, and ranked second in the EIVA last season. Sophomore **Drew Dvorsky** will be utilized as a defensive sub in the back row.

At setter, three players entered the preseason with a chance to earn the starting position. Freshman **Levi Kauffman** won the job after an All-State high school career at Red Lion and has made strides adapting to the college offense.

Sophomore **Josh Hobson** saw significant action at setter as a freshman and knows ESU's offensive and defensive systems. Freshman **Brent Hurst** has also shown promise and may contribute this season.

Student-Athlete Center for Excellence

In 1998, ESU established a Student-Athlete Center for Excellence on campus. The center includes experts in exercise physiology, nutrition, academic counseling, psychological counseling and sport studies.

The SACE was created to provide all student-athletes with the guidance, counseling and instruction necessary to enhance their academic and athletic performance.

Academic services offered:

- Academic Counseling
- Assistance in acquiring tutorial services
- Assistance in declaring a major
- CHAMPS/life skills programming
- Professional career development skills
- Progress reports/academic monitoring
- Referral coordination to other university agencies

Exercise science services offered:

- Body composition analysis
- Dietary analysis
- Nutritional/psychological assessment
- Hydration or body water status
- Nutritional counseling
- Aerobic power analysis
- Overtraining analysis
- Psychological Skills Training

Academic Coordinator for Athletics

Nancy Jo Greenawalt

Nancy Jo Greenawalt serves as the Academic Coordinator for Athletics. Her main responsibility is to organize an academic support structure for nearly 500 Warriors student-athletes.

Greenawalt has 24 years of experience in higher education, including 14

years at Albright College and 10 at ESU. During her time at Albright, she worked as the Associate Athletic Director for Women and Physical Education Department Chairperson. She has also served on numerous NCAA, national and regional committees.

A 1978 graduate of Albright College, Greenawalt was inducted into the Albright Athletic Hall of Fame in 1997 for her achievements earned as a five-sport student-athlete and head coach for volleyball, badminton and tennis. She earned her bachelor's degree in psychology from Albright and her master's degree in physical education from Penn State University.
